Dear Coordinator,

The Ministry has entrusted the job of auditing of some ENVIS Centres websites, hosted on NIC servers, to National Informatics Centre's Services Inc. (NICS) during the financial year 2010-11. The website of your ENVIS Centre is one of them. Apart from Cyber Security Audit, NICS will also redesign the websites, identify and remove the vulnerabilities as per the Government of India's guidelines for government websites. In this context, a detailed consultation with these ENVIS Centres by the NIC team and representatives of the firm is required before the project starts.

It has now been decided that the detailed consultation will be held on **4th-5th May, 2011 at Van Vigyan Bhavan, R.K. Puram, Sector-5, New Delhi-110022.** You are requested to attend the said consultation programme yourself or depute a person engaged with website work to apprise the team about your requirement, format, design etc.

The details of programme and other arrangements may be had from **Shri Anil Kumar, Scientist 'D' & Network Coordinator, NIC MEF Computer Cell (Room No. 607), Paryavaran Bhavan, C.G.O.Complex, Lodhi Road, New Delhi - 110003, Ph : 011-24363819, Mobile : 9810224894, Email: anil.kumar@nic.in.** A line of conformation may kindly be mailed to envisect@nic.in for information.
