

Dr. N. Senthilkumar

Dr. N. Senthilkumar is an entomologist presently involving in studying the plant secondary metabolites for the development of biopesticide formulation against forestry insect pests, natural products, climate change impacts on forest insects, and biodiversity of Insects.

Current activities and research interests

General research interests focus on bioprospecting forest resources with special reference to the development of plant based biopesticides and phyto products; climate change on forest insects and biodiversity conservation.

- Validation of certain flora for pesticidal properties.
- Secondary metabolites from endophytes for insecticidal properties.
- Phyto products for various end uses.
- Biodiversity of insect in Western Ghats.

Formal education

B.Sc (Zoology), Madura College, Madurai (Madurai Kamaraj University) - 1994

M.Sc (Zoology), Ayya Nadar Janaki Ammal College, Sivakasi (Madurai Kamaraj University) - 1996

M.Phil (Zoology), Thiagarajar College, Madurai (Madurai Kamaraj University) -1997

Ph.D, (Zoology- Entomology), Gill Research Institute, Chennai (Madras University) - 2003

Experience

Dr. N. Senthilkumar has worked on Biodiversity of insect fauna of North East India, involved in conservation of biodiversity and environmental protection programmes in Northeastern states of India besides having experience in the development of ecofriendly strategy for the management of insect pests of forestry importance.

He was involved in development and implementation of EIA procedures in Andhra Pradesh, and insect pests management of important tree species in Andhra Pradesh.

He was awarded a research project by DST under Young Scientist scheme.

He has handled research projects funded by ICFRE, DST, MoEFs etc.

He has rendered consultancy services on EIA and Carbon sequestration potential viz., "Study on diversion of Gorrepeta vagu impact assessment on flora and fauna – Singereni Colleries Company Limited, Manuguru, Khammam, Andhra Pradesh" and "Biomass estimation and carbon sequestration of trees maintained by ITC Infotech Ltd, Bangalore" in the capacity of Project leader and a Co-Investigator.

He has to his credit training manual on "Management of Bamboo" in English and Assamese and "Instrumentation methods and chemical analysis", "Metabolite profiling: Current Techniques" besides books on "An illustrate guide on insect pest of important tree species in southern India" "Orthoptera of Nilgiri Biosphere Reserve" and Bioprospecting forest resources: An illustrative catalogue of some flora for biopesticides. He played a key role in developing biopesticides namely, Vilvekam, Hy-Act, Tree-PAL^H, Ento-fight Nasa and a biobooster called Treerich biobooster.

Organisational details

Institute of Forest Genetics and Tree Breeding
(Indian Council of Forestry Research and Education)

Research Projects

S. No.	Title	Year	Funding Agency
1.	Augmentation of entomopathogenic fungi for the management of <i>Calopepla leayana</i> on <i>Gmelina arborea</i> : An ecofriendly approach	2005-2007	DST
2.	Development of an ecofriendly strategy for the management of <i>Calopepla leayana</i> on <i>Gmelina arborea</i>	2004-2007	ICFRE
3.	Bioecological Studies of seed insect pests of <i>Dipterocarpus retusus</i>	2005-2008	ICFRE
4.	Biodiversity studies of Orthoptera in Kaziranga National Park, Assam	2006-2009	MoEF
5.	Evaluation of certain flora based on ethnobotanical records for their pesticidal properties against important forestry insect pests.	2010-2013	ICFRE
6.	Orthopteran diversity of the Nilgiri Biosphere Reserve (Tamilnadu part)	2010-2013	ICFRE
7.	Anti- insect secondary metabolites from fungal endophytes of selected tree species.	2011-2014	ICFRE
8.	Contributory factors in the establishment of <i>Leptocybe invasa</i> (Fisher and LaSalle) on Eucalyptus plantations in Tamilnadu	2012-2015	MoEF

Consultancy projects

S. No.	Name of the agency	Title of the scheme
1.	SCCL - Singereni Colleries Company Limited, Manuguru, Khammam, Andhra Pradesh	Study on diversion of Gorrepeta vagu impact assessment on flora and fauna – Singereni Colleries Company Limited, Manuguru, Khammam, Andhra Pradesh
2.	ITC infotech, Bangalore	Biomass estimation and carbon sequestration of trees maintained by ITC Infotech Ltd, Bangalore
3.	Bhutan EIA studies	EIA on fauna and flora for Hydroelectric project at Bhunaka and Sankosh in Bhutan

Seminar organized

Organized a seminar on “Recent trends in Biological Control of Insect pests and diseases of Forestry importance” held on 18th September, 2006 at Rain Forest Research Institute, Jorhat, Assam sponsored by Science & Society Division, DST, New Delhi

Training imparted

- One day Farmers’ Training on “Scientific management of Bamboos in Nursery, Plantation and Storage” held on 19th September, 2007 at Rain Forest Research Institute, Jorhat, Assam under the project (SP/YO/027/ 2004).
- Imparted training on “Instrumentation methods and chemical analysis” on 27&28th July, 2009 at IFGTB, Coimbatore.
- Imparted training on “Instrumentation methods and chemical analysis” on 9&10th September, 2009 at IFGTB, Coimbatore.
- Imparted training on “Instrumentation methods and chemical analysis” on 27&28th September, 2010 at IFGTB, Coimbatore
- Two days Training workshop on “Bioprospecting-Role of state forest departments need to play” to IFS officials was imparted during 1st & 2nd August, 2013 sponsored by MoEF, Govt. of India. Total of 25 IFS officers from various states participated in the training programme.

Training

S. No.	Type of duties/functions	Period		Organisation where experience gained	Sponsoring agency/funding agency
		From	To		
1	“Biocatalysts for fuels and chemicals from biomass”	7 th August, 2014	21 st August, 2014	TNAU, Coimbatore ICAR-CAFT training	ICAR, new Delhi
2	Training cum workshop on CITES	30 August 2012	31 August, 2012	IFGTB, Coimbatore.	MoEF

3	Foundation Training Program for Scientists and Technologists	8 th November, 2010	28 th January, 2011	IIPA, New Delhi	DST, New Delhi
4	Quantum GIS Open source Application	11 October, 2011	22 October, 2011	IFGTB, Coimbatore	ICFRE
5	Insect pest management	9 th February, 2009	19 th February, 2009	NCIPM, IARI, New Delhi	ICFRE
6	Mainstreaming Biodiversity in impact assessment	18 th August, 2008	22 nd August, 2008	Wild Life Institute of India (WII), Dehradun	ICFRE
7	Training on Decision support tools & techniques for senior Scientists, sponsored by DST, New Delhi.	28 th April, 2008	to 2 nd May, 2008	Administrative Staff College of India, Hyderabad	DST
8	Training on application of statistical tools using SPSS in forestry research as a trainee.	May, 2004	-	Rain Forest Research Institute, Jorhat	ICFRE
9.	Training on application of improved technology for afforestation in NE India sponsored by NAEB-NEHU as a trainee.	23 rd September, 2003	25 th September	Rain Forest Research Institute, Jorhat	ICFRE

Foreign visits during the past 5 years

Name of the country place/Institution	Purpose of visit	Year and duration of visit	Sponsoring agency/Funding Agency
Bhutan	EIA on fauna and flora for Hydroelectric project at Bhunaka and Sankosh in Bhutan	2009	ICFRE
Thailand	6 th International conference on Biopesticides –ICOB6	2011	DST
